objectives

I am extremely interested in a work place within the media and design industry. I have a passion for video games, animation, graphic/product design and film. I feel that gaining work experience would be valuable once I graduate from University

education

University of Wales Institute, Cardiff
- BA Mobile, Web and Game Design - Present

Crosskeys College, Gwent - BTEC Graphic Design and Multimedia - 2006-2008

proficiencies

- Great knowledge and understanding of Adobe software.
- Proficient in Creating/Designing Posters, Print Ad's, Photo Manipulating, Animation, Video Ad's, Logos...and much more.
- Designed a logo for the company, Regal Travel as part of a competition, my logo was chosen.
- Recently created a concept for a new Alice in Wonderland video game for an internship with disney which gave me good understanding of Maya.
